The screenshot shows the KUPID portal homepage. The sidebar on the right contains several menu items. A red box highlights the '학술관리시스템' (Academic Management System) link, and a red arrow points to it with the word 'Click' written next to it. Other visible items in the sidebar include '도움말', '즐거찾기', '원격지원', '재정정보', '도서관', '취업정보', '연구포털', '연구네트워킹', '강의저작도구', and '호보제작'.

This screenshot shows the KUPID portal with the 'Registration/Graduation' menu expanded. The 'KULMS' link is highlighted with a red box, and a red arrow points to it with the word 'Click' written next to it. The expanded menu includes 'Curriculum', 'Graduation Credit Requirements', 'Graduation Requirements', 'Graduation Requirements Status', and 'Interdisciplinary Courses'. The main content area shows various notices and university events.

The image shows a two-step process for logging into the LMS. The first step is on the main LMS page (lms.korea.ac.kr), where the 'KUKLC Login' button is highlighted with a red dashed box. An arrow points from this button to the second step, which is the 'KUKLC Login' page (login-general.php). On this page, the 'ID' and 'Password' input fields are highlighted with red dashed boxes, and arrows point to labels 'ID' and 'Password' in red boxes. A '로그인' (Login) button is also visible at the bottom of the form.

The screenshot shows the Chrome settings page in Korean, specifically the 'Privacy and Security' section. A red dashed box highlights the 'Clear browsing data' dialog box, which is used to clear internet usage records. The steps are numbered 3 through 8:

3. Click on '개인 정보 보호 및 보안' (Privacy and Security) in the left sidebar.
4. Click on '인터넷 사용 기록 삭제' (Clear browsing data) under '개인 정보 보호 및 보안'.
5. Click on '고급' (Advanced) in the '인터넷 사용 기록 삭제' dialog.
6. Click on '전체 기간' (All time) in the '기간' (Time range) dropdown.
7. Check the '인터넷 사용 기록' (Browsing history) checkbox.
8. Click on '데이터 삭제' (Delete data) at the bottom right of the dialog.
